Sir,

With reference to your docket No 1055 dated 10th October 1903 forwarding for disposal a petition from Narasimah Sastry and others of mysore complaining of the slow progress of the construction of Bakshi narasappa's new Agrahar houses I have the honor to state that the Estimate for rebuilding the houses provides for the use of old materials. These materials are not defective in

in any way. Government in their Proceedings no H 2054-6 dated 28th may 1903 sanctioned a further sum of Rs 55 67-2-0 for the construction of these Agrahar houses. The Comptroller was addressed in the marginally noted communications to place me in funds and no reply has been received from him on the subject yet. The work had to be stopped for want of funds.

The enclosure of the docket under reply is herewith resubmitted.

I have the honor to be

19.11.03

It having been brought to notice that the reconstruction of Bakshi Narsappa's Agrahar houses had been stopped for want of funds, and that this

the Govt order of 25th
May 1903, it has been
ascertained that the
Comptroller, Mysore
Govt, had informed
the President, Mysore
City Municipality to
obtain the necessary
funds from the same
source as the original
grant ie. P.W.D. On
a reference to the Chief Engineer
he reports that, during
1902-03 an outlay of Rs 36,449
was incurred against the
provision of Rs 35,000 made
therefor in the P.W.D
General reappropriation
Statement of that year
further works had been
stopped pending orders
of Govt on the project
submitted for sanction
as there was no allot-
ment for it in the
current year's Budget,

and that in the Estimate
which was recently
sanctioned provision
of Rs 5667 has been made
for the construction of
the Houses but the amou
cannot be placed at
the disposal of the Presiden
there being no allot-
-ment for the work.
He suggests that the
Comptroller, Lucknow
both may be authorize
to remit the amount
to the President and
debit the same to Public
Works Deptt for acceptan
to be covered by the Spl
grant for which he will
make a separate applic-
-ation in due course.

The suggestion is
approved and the Comm
is requested to take
immediate steps

for placing the amount
at the disposal of the
